**Oesterreichische Kaiserkrone**  
(Hauskrone).

Dieselbe, aus feinem Golde, reich mit Edelsteinen, Perlen und farbiger Emaille verziert, ist eine der bedeutendsten Arbeiten deutscher Goldschmiedekunst im Stile der Renaissance und wurde unter Kaiser Rudolf II. 1602 angefertigt.

**Couronne Impériale d'Autriche**  
(Couronne Héritaire).

Cette couronne, d'or fin, richement ornée de pierres précieuses, perles et émail en couleurs, est un des plus beaux ouvrages de l'orfèvrerie allemande, style de la renaissance; elle fut faite sous l'Empereur Rodolphe II. en 1602.

**Austrian Imperial Crown**  
(Hereditary Crown).

This historical relic is formed of fine gold ornamented with jewels, pearls and coloured enamel. It is one of the finest specimens of German art workmanship in the renaissance style and was made during the reign of Rudolf II. 1602.
